## PARTS AND SERVICE, WHEN YOU NEED THEM.

Our goal is to keep you working. That's why your dealer has an experienced service center team and carries a wide selection of parts, with access to an even greater variety through our expanding global network of parts distribution centers. You get the support you need to grow – no matter where you do business.

## YOUR KIND OF FINANCING PROGRAMS.

Being part of the Daimler Truck Financial family means we can get you into the right truck at the right price with rates that are competitive with anyone, including banks. Plus, because we know the transportation and vocational business, it's simple to get the financing you need – and into the Western Star you want.

**Daimler Truck Financial**

Financing that works for you.

## SPEC YOUR OWN MASTERPIECE.

With all the different types of loads there are to haul, it only makes sense to offer the options to create the truck you want. And that flexibility is why we offer three different heights and five lengths. Low or high, long or short, there's a Western Star® sleeper configuration to give you as much room as you need.
